EXCELLENCE AND INTEGRITY IN ADVOCACY

Angela focuses her trial litigation practice in the areas of products liability, mass tort, commercial litigation, and employment litigation. She is National Trial Counsel for a Fortune 100 company and represents clients in litigated disputes in both State and Federal courts. Angela works with her clients to develop creative and unique approaches to litigation. When a matter cannot be resolved, she puts her talent and trial experience to work in front of arbitrators, judges, and juries. She has served as lead counsel in more than seventy-five arbitrations and trials. Angela also has experience working with clients as an in-house attorney and as outside general counsel.

Angela is active in a number of professional organizations and she is regularly asked to speak at seminars in Minnesota and across the country. She was the 2017-2018 President of the National Association of Women Lawyers ("NAWL") and the Past President of her local bar association, the Ramsey County Bar Association. Angela is also a member of Campaign for Legal Aid, a committee that raises money for Southern Minnesota Regional Legal Services ("SMRLS"). She has been nominated for admission into invitation-only organizations, like the American Board of Trial Advocates, and she was appointed by the Minnesota Supreme Court to serve on the Commission on Judicial Selection.
